Where international, state, county, and/or MCD boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

- 1 "A" following an MCD name denotes a false MCD. "A" following a place name indicates that a false MCD exists with the same name and FIPS code as the place the false MCD label is shown.
- 2 MCD boundaries are shown in the following states in which some or all MCDs function as general-purpose governmental units: Connecticut, Illinois, Indiana, Kansas, Maine, Massachusetts, Michigan, Minnesota, Missouri, Nebraska, New Hampshire, New Jersey, New York, North Dakota, Ohio, Pennsylvania, Rhode Island, South Dakota, Vermont, and Wisconsin. (Note that Illinois and Nebraska have some counties covered by nongovernmental precincts and Missouri has some counties covered by nongovernmental townships.)
- 3 Place label color corresponds to the place fill color.
Label colors: Davis Davis Davis Davis
